THEFT OF / OUT OF MOTOR VEHICLES

Remains a concern for the Paarl Police, there was an increase of theft from / out of a motor vehicle in the industrial and farming areas with batteries and tools being targeted. The Malls, Coffee shops and restaurants are also targeted for theft out of in some instances the jamming devices are used. **1 arrest was made** were a jamming device was used.

GOOD SENTENCES

Four suspects were successfully prosecuted for burglary residential, burglary business and theft out of motor vehicle during January 2017.

The suspects received sentences ranging from 10, 8 and 3 years imprisonment. The incidents occurred in the Southern Paarl, Coutrai, Denneburg, Lemoenkloof and Drakenstein rural areas between January 2016 to May 2016.
